

Quible Times 2014

*W*elcome to the fourth edition of the Quible Times! Each year I will update you with events and happenings in my life. So sit back, and enjoy your reading.

My History

I was born in Kearney, Nebraska and lived there through part of kindergarten. I actually went to three kindergartens (including Sidney & Gering, NE). I went to school in Gering for a while before moving to Minatare for 5 years. The fourth quarter of my sophomore year in high school I moved to Rushville. (Oh, I forgot I lived in Montana for a summer). I also lived in Spearfish, SD for a summer because I was having trouble adjusting to the move to Rushville.

Thankfully my uncle let me stay with him and work at his Dairy Queen store. After graduation, I attended UNK for a year. I then moved to Lincoln and attending UNL where I got a degree in Business Management. I worked for the University 4 years before getting my Master's Degree in Teaching. I worked at LNE for 6 years where I coached 4 cheer teams and sponsored FBLA. I've been at North Star 5 years, and this is where I truly started enjoying teaching.

My Family

I've been married for almost 11 years to Jake. We have a son, Alex, who is 8 ½. He is in 3rd grade at Kooser Elementary. I have a daughter, Aubrey, who is 2 years old. Being a mother is my favorite thing in the world. We have 2 pets: Junior & Daisy, our cats. I'm an only child, so I'm close with my parents. The person I call my dad actually adopted me when I was in 8th grade. I've only met my biological dad when I was 19, and not since. Family time is important to me.

My Interests

I enjoy DOING things. I do not like sitting at home, and I despise the t.v. (although I watch Survivor and Keeping Up with the Kardashians). I love taking my kids places. They enjoy going to the zoo, parks, and fun centers. I enjoy going to sporting events like Denver Broncos games, Avalanche hockey, and seeing the Braves when they play a team near here (usually the Rockies). I like to go to Colorado as much as possible. Although I haven't done it in a while, I used to enjoy snow & water skiing. My goal in the near future is to take my kids to Disney land.
